“ Dear Dolly and Kalil Family,

*When my 6 years old son first learned about Mike's illness and hospitalization, he made the following profound comment that speaks volume of the legacy and influence Mike had on every member of his family and extended family:*

*"I hope he does not go to heaven. I will be sad if he does. I really like him. He was cool and fun to the kids."*

*If anyone can have this kind of impact on a 6 years old, than no one could have been as influential as Mike. He will surely be missed.*
