“ So sorry for your loss. Mike was a great neighbor. I will never forget the time he helped out when I had to take our Doberman Misty to the vet have her put down. A very sad day but I sure appreciated Mike's help.

“ *Mike and I met in the 70's at Truck & Bus. We soon became good friends and shared many non-work activities (golf, bowling, and the famous Friday "hearts" game). Perhaps we will be taking in a round of golf soon. God Bless*

“ *Mike always had a very unique way of making people laugh. I remember the first time I meet him. He was an GM auditor and I was a new hire, sent down to talk to him about a payroll issue. Boy in first few minutes he gave me very hard time only to say "Got you!" Thank you for your loyal service to GM and being a person who always saw the bright side. The jokes will remain for forever. My deepest sympathy to beloved family and his friends. May his memory be eternal.*

“ Mike, you will be missed in so many ways...kayaking and lunch at Mike's Coney, laughing at commercials past and current, and the daily phone calls talking about life's bright moments, our families and our dogs, gripes, and what we are planning on making for dinner that night.

We love you, Mike, and will be keeping Sue, Molly, Sully and your family in our hearts and prayers.

Love,
