“ Kim, I heard you talk about your brother Mike many times so when I was walking down the aisle at work a couple of months ago and saw the name plate on his office I asked if he was your brother. It's the only time I talked to him. He was very nice and I could tell in our brief conversation that he was totally devoted to his family. My thoughts and prayers are with you, your mom, Jamie and then entire extended family.

“ Dearest Marge, Kim and Jami,
I am so sorry to hear about Mike. Please know that all of you are in my heart and in my prayers. I have fond memories of Mike when he traveled with Monita and I would see them in Ky. I am so thankful for such a loving extended family. Even though we don't see other too often, we always have each one in our hearts. May God comfort you all and hold you fast to ease your pain. Just know I love you all.

“ Dear Marge and Kimberly,
I am very sorry to hear of this unfortunate news. I realize that it may seem of little value to point out that Mike is simply going to reach his destination sooner than the rest of us. Very few of us are in a hurry to get there. But we all obviously will.

In the past few years I have become a born-again Christian. I find considerable solace in the Bible. If it weren't for the Lord, I am fairly confident that I would have crashed and burned by now. I know it to be an excellent tool for strength and sustenance.

I simply wanted to offer my support during your trying times. I will certainly say a prayer for him.
