“ Always wanted to be a singer artist, be it Elvis, Beatles or Leon Russell he always played the part. An amazing athlete baseball , basketball football but hated practice. Loved to hang out with his grandfather they had the same sense of humor always pranking. Loved his polish heritage and was the boiler and counter on pierogi day. Loved sports and buying my football squares for Super Bowl . Was my idol, so kind and never a bad word about anyone, I will miss him so 💖
