“ Really sorry to hear Mike has passed. Mike and I worked at Clintondale and played a lot of golf together. I haven't seen Mike for 20 years but I traveled down Parker Circle on occassion looking for the yellow truck he used to drive. He told me something I have told many times: "People that call into talk radio are professional wrestling fans who can't afford a ticket."

He was fun to be with and I regret I didn't keep a close after I retired. He used to call me: "Prescidente" because I was once the union president.
