**Beautiful in Blue** - January 07, 2021 at 12:00 AM

“ *Uncle mick will be greatly missed. He was incredibly talented. He had a gift for woodwork. I will always remember all the fun family 4th of July parties and the Christmas parties in their basement, full of awesome antiques, his hand-made Coca-Cola bars, jukebox music and singing and dancing. When we were little, he made Kelly and Mike the coolest video arcade room full of full-size pinball machines and video games. Their basement was the place to be for a ten year old. The beautiful miniature playhouse he built on Sutherland was a kids dream. He was a man of few words but he truly had a sense of humor. He loved to pop out on my mom wearing his old man mask. We laughed so hard every time he pranked her with it. His grandkids were his pride and joy and I know that he will be waiting to see all of us again in heaven. Rest In Peace, Uncle Mick. We love you.*

“ *Dear Family, We shared three wonderful years together. I loved him with all of my heart and will miss him for the rest of my life. I helped him achieve his dream of living in a warm climate. We had so much fun decorating the condo in Naples. He could do anything and fix anything. I appreciated his humor and talent and his love. Love to all. Joyce*
