

Michael P. Morreale

February 13, 1973 - May 30, 2021

Michael P. Morreale, of Warren, passed away Sunday, May 30, 2021 at the age of 48. He was born February 13, 1973 in Detroit, Michigan to Charles and Sandra Morreale.

Mike loved sports. As his sons were growing up he enjoyed not just watching them play but coaching them in football and baseball also. To say he was their biggest fan was definitely an understatement.

Family and friends were very important to Mike. He enjoyed spending time with his buddies playing cards and hanging out. He was a very caring, easy going man. His family was always his number one. From football and baseball games to just being together for family dinners the memories that were made will be cherished by all who knew and loved him.

Beloved husband of Wendy. Loving father of Michael Jr. and Brandon. Dear son of Charles (Margaret) Morreale and Sandra Morreale. Mike is also survived by many loving siblings, nieces, nephews and many loving family members and cherished friends. Mike will also be truly missed by his fur-babies, Baxter and Bella.

“ Uncle Mike, well I know you passed and was sad to me as you were always a positive word for me and we'll Life is Good for me today and I just wanted to let you know The Redskins, now the Commanders are tiring it up this year. They had some slick looking Black Uniforms with a little Red and yellow on em. I know you're smiling down after the hail mary last night. I hope you're pain free and see all that is going on down here.

“ To know Mike was to love Mike not everyone can be as kind and caring as he was. At family get togethers it was never Mike complaining about his illness it was him asking everyone else how they were. It is hard to believe he will no longer be here on earth with us because there were many times he was so very sick but always seemed to rally which must have been the sportsman in him. Mike was so kind that even on his last day called people to say goodbye if that isn't unselfish I don't know what is. I'm very sad that you guys could not have him longer but I am so glad you did have him you guys were everything to him. I do hope he finds the rest and peace in heaven he deserves but which he didn't always have here on earth. all my love always Sue (Aunt sue)
