“ I have two fond memories of Mike, both revolve around Bear Lake. The first one, Mike myself (Kenn) and Uncle Jim (my Dad) are fishing on Bear Lake. Mike loses a large bass as he gets it to the boat and my dad had to grab him to keep him from jumping in the water after it. The second one was when Tim and Mike got something on one of their lines and it towed them up and down Bear Lake for so long that their dad and my dad brought them out some lunch, this went on for hours. They finally had to cut the line.

Our condolences to family and friends. His laughter and good heartedness will be missed by all that knew him. We're sure you will be watching the U of M vs Ohio State game from your vantage point.

“ Mike, I will miss you terribly. You always felt like another brother to me.
You made work feel like a joy. The way we always kid at each other and fooled around with my dad Dick , who loved it by the way.
Our family was truly blessed for having you with us. I love you Mike.
I am sure Dick will be happy to be with you again.
