“ I was the locksmith across the street. when he wasn't busy we'd sit on the bench, people watch, and laugh. I've been getting my haircut at reds since I joined the Corp in 1989. I started working the lock shop in 2009. I miss Tim, and Billy as well but mike was my true friend, he was always there when you needed him. I'm going to miss him. Rest in peace my friend and may God bless his beautiful soul. I'll keep him and his family in my prayers. I hope mom is ok? God bless, Benny the locksmith.

When I moved back to New Baltimore after being gone for almost 30 years, I went to Reds, where I got haircuts as a kid. Mike was always fun to talk with and knew a lot about what was going on in town. Great, funny (and "colorful!") conversations with him and the patrons!! A good guy! He'll be missed

At birth we board the train of life and are met by our parents. As time goes by, other people board the train; our siblings, friends, children and grandchildren. The train ride will be full of joy, sorrow, fantasy, expectations, hellos and goodbyes. The mystery to everyone is: We don't know at which station we ourselves will step down. So, we live in the best way, love, forgive and offer the best of who we are...and thank God for the journey.

To Mike - thanks for being one of the passengers on our train! Love, Darryl and Stephanie

I haven't seen Mike in many many years, but I sure do miss him. Would send him a card every Christmas, thru his brother. He was a crazy little kid. Loved him so much, and now miss him so much! RIP.....Grandma Bush
