“ *We were so saddened to hear of Mike's passing. It seems like I just saw him take a spin on his little red moped during one of the latest Michigan warmups. We knew Mike to be a kind man who always took the time to say hello and share a smile. He will be noticeably missed on Monroe Drive. Keeping the family and all who knew and loved Mike in our best thoughts and prayers.*

*With deepest sympathy,
Chris, Tommy and Lucy Doran*

“ Just a message to the Safron family from BAE Systems (who works with Michael Safron's son Matt): Please accept our sincerest sympathies on the loss of your loved one. Having lost both of my parents now (recently my mother in Jan 2018), I know what you are going through. I can only say what I believe and what helped me get through this time of sorrow, Michael is in a better place. I believe that our loved ones are called back home when we on Earth need more help. And, in the better place that they are at, they can help us more here on Earth. Please take solace in this and I will keep you family in our thoughts and prayers.

Sincerely,

John G. Tile

“ Mr. Mike was a great neighbor, he always had a smile on his face and a friendly wave as we drove by. We will miss seeing him cruise down the street on his red scooter during the summer. He would always take the time to stop and say hello, chat about whatever was going on, knowingly laugh at the home projects we'd be tackling and encourage us along...he was just really intentional about getting to know people. Our thoughts and prayers go out for his family, and all who know and love him - may you all be given much comfort. We are sending you our deepest sympathies.
