“ *I have lost a Cousin who was really like a Brother. We grew up together and shared many fond family memories. He was always the most kind and generous , loving person on the planet. Anyone that knew him knows what I am saying. I do not know how I will ever be the same, but I do know that I want the world to know how much I loved him and always will. You are in my heart forever Mike, and we are forever Cousins/Siblings RIP Sweet Soul Until we meet again*
