

Michael Wells

January 5, 1998 - May 8, 2015

Michael Wells was born January 5th, 1998 to Emma and Gregory Wells. During Michael's time here with us, he was full of life. He was spontaneous, active, very athletic, friendly, outgoing, ridiculously funny in nature, and had a uniquely positive attitude that influenced all of those around him. Michael was loved deeply by his parents, Loving brother of Sarah, Gregory, Geenel, Aaron, Princess and Zachary. Dear grandson of Lyle (the late Theresa) Wells and Frances(and the late Eufemio) Simangan. Dear great nephew Sr. Michaelinda Szwast and Paul Szwast.

Michael was just about to finish his junior year at Henry Ford II High School located in Sterling Heights, Michigan. He wrestled and played football for the school and played baseball in his free time. Michael was dearly loved and will be missed by his many family members and friends.

“ While the loss of a loved one is never easy, it is most certainly the hardest when they are taken from us too soon. The recent loss of your son who has left you at such a youthful age is definitely in the category of those hard losses for which there is such a painful reminder of what might have been. We offer our sincere condolence and deepest sympathy on your loss. May the outpouring of sympathy, the kind acts of friends and strangers and the comfort in knowing that your loss is felt by many, help you through this difficult time. May you find the courage and strength to move forward in peace and confidence and in knowing that his was a life well-lived.

“ I had just met Mike this year but I never saw him without a smile on his face and he always made 4th hour (German) fun. Even when our teacher was in a grumpy mood he would make her smile. He always cared about people around him and was open to talking to anyone. He made me laugh more times than I can count and I am going to truly miss him. “ I never had the opportunity to know Michael on a personal level, but had the pleasure to know him through the youth wrestling community. As a ref, he was fair and extremely patient with our kids, especially the little guys. He had a joyful attitude and even made a kid feel proud when they lost a match. “*Michael was someone who was in my life only briefly, our family knew him through wrestling. Michael was always so sweet and polite he always had a smile on his face. My son wrestled with his older brother Aaron and then this past year with Michael, we would all comment on how nice they both were. I had the pleasure of sitting with Michael in the cafeteria and speaking with him for a little while at the Yale Tournament this past season. He had hurt his ankle but was so positive and upbeat about it, he kept cracking me up he was so funny. I left there that day thinking what a great personality he has!! We were all so devastated when we had heard, we kept hoping it was not true. We are sorry for the loss of your beloved son and brother he is an amazing person who seemed to touch so many in such a positive manner. I WILL REMEMBER HIS SMILE FOREVER*
