“ We shared lots of good memories at work at Continental with the GM Supercruise AMM module. I learned a lot from Mike and I will remember him as the person who was always with a smile even during tough times. Supercruise is a great and safe product thanks to you and it part of your legacy. Although I witness that your greatest achievement is your beloved family and many manyfriends.

I still have our blue MACOMB soccer team shirt. Thank you for being a great person and for your friendship.

My deepest condolences to his family and friends.

“ For the last 40+ years, we've been brothers, best friends, and so much more. I could spend months talking about the times we shared, the memories we made, and the legacy you have left on so many people. I'll miss our laughs, our beers, our talks about our children, hitting golf balls, remembering softballs, playing euchre at Euchremania, trips to Grand Rapids/Myrtle Beach/Arizona, your visits to CMU, my visits to your Metro Towers apartment, being the only person qualified to be my best man, being the only family member deserving to be my first son's godfather, hating the Detroit Lions yet loving their 50+ years of no Super Bowl, my 16th birthday party and our attempt to do The Breakfast Club dance, repercussions of shaving cream on brown cars, the Big Boy family of pranksters, watching you smile then pass out at the Woods Golf Classic, boat rides around Jose Lake, 800 ounces of beer at Sunnybrook Lanes, your Midwest Football League fantasy football championships and Toilet Bowl achievements, putting the Bozo sticker on the MFL Draft Board, being the last person at the bar with me at my dad's funeral, playing hoops in the Nola driveway, somehow finding our way to your cousin's home in Arizona, losing in strip poker, the TAZ shirt for your bachelor party, the immovable glasses from your Metro Towers apartment, the Jim Collins play-by-play video, our last trip to the Woods in Grand Rapids, and spending our last few days together last week. Every moment was a story and each chapter was priceless. You left your legacy on every person you touched as we all will miss your smile, your laugh, and your positive impact on life. You made the most of every moment, but you deserved many more memories before you left us too soon. Every time I drink a beer, I will toast your life - your legacy - and someday, I hope we cross paths again so we can smile, laugh, hug, and remember. My thoughts are with the entire Zoskey family during this difficult time and I hope the Lions win a Super Bowl in his memory.
