“ Mike was as close to a best friend as someone my age could have. I remember all the good times we shared. I taught him to ski and he taught me to drive a 5 speed. He showed me how to ride a motorcycle and I showed him how to tie a Windsor knot. Vacations and road trips we took still make me smile. It's truly sad he didn't give me a chance to help with what was troubling him. The good memory's are all I have left. I hope he found the peace he was looking for. I will miss him everyday.##imported-begin##Joe Stechschulte##imported-end##
