“ Mr. Miller's passing comes as a shock to me and my son. Mr. Miller was my science teacher at Van Zile Elementary School in Detroit. He was an excellent teacher, and you could tell he loved science. In later years, it was treat for me to be able to send my son to Van Zile, and Mr. Miller was also his teacher. My son is in college now, but we both have fond memories of Mr. Miller. When my son was first assigned to his class (mid-90's), I went to Parent Teacher Conferences, and Mr. Miller actually remembered me. It was good to see him. My condolences to the family during this tough time! God Bless!##imported-begin##Marcia (Knowles) Eden##imported-end##

“ Michael's loss brings much sadness to all who knew and loved him. May the words of Jesus bring you comfort. Please read John chapter 11 there he demonstrates that our loss loved ones like Michael can live again by means of a resurrection. He promises this will happen when he says at John 5:28-29 "...the hour is coming in which all those in the memorial tombs will hear his voice and come out..." My heartfelt wish is that this message of hope brings the family peace.##imported-begin##Geraldo Cafe##imported-end##
