“ I would like to say thank you for all the wonderful memories. Whether it was riding down to Detroit with my grandparents Leo and Grace Mazurek to catch a Tigers game with Mike and Pat. Or one of his many visits to Spring Lake, for a long weekend. I have had some good times playing cards, listening to his many stories, and the list goes on. Pat your father will be greatly missed and I will always hold those memories close to my heart.##imported-begin##Joshua L. Bator##imported-end##

So sorry to hear of your father's passing. He obviously lived a wonderful long life but that doesn't make it any easier to let them go. My family and I will be praying for you and your family in your time of sorrow.

“ *What a great man. When you speak of influential people in your life and who shaped you ,Mr. Pavich was certainly one of them . I worked for Mr. Pavich from 16-18 years old until I went in the military after high school.Not only was he a pleasure to work for but I will fondly remember the annual friday luch at the little red baron in warren. Mr. Pavich and myself would drive over and pick up Chet and go have a beer, burger and fries, me being under age, well I thought I was a big wheel hanging with the Big Dogs.Great conversations, great stories and always lots of laughs on those fridays.Mr Pavich always had his great one liners that always brought a smile to your face. Condolences to the Pavich Family, May Mr. Pavich be flying high with the angels and his family in heaven as you did a swell job here on earth sir!###imported-begin###mark hickey ###imported-end###*
