“ Dear Marianne,

the news of Mickey's passing made us very sad. The only comfort is that he is now at peace and does no longer have to endure pain and suffering. Our heart goes out to you and the family as it is always hardest for the ones who are left behind and have loved him the way you did.

In these difficult times you will need to lean on each other and give each other comfort and strength.

We pray that you will feel the comfort of God's tenderness and care.

We will remember Mickey with love and keep him in our hearts.
