“ Michael,

You trusted in us. From the day of your birth, there were so many of us that loved you and helped your mom as much as we could because you were so adorable. When I think back to your baby days and beyond, I think of all the people who loved you and watched over you, your mom and dad, your grandparents, Auntie and Uncle, Uncle Craig, Uncle Joe, Uncle Mark, Aunt Lee and family, Teri, Cindy and so many others. You trusted in the decisions that were made for you. And now, we trust in yours. May you bring as much joy to those in Heaven and you brought to us here on Earth.##imported-begin##Pam##imported-end##

“ Mark & Kym,
Michael always had a special place in my heart. I adored him as a little boy and had some great times with him. I always told him that he was my little big boy. I will never forget the time he had a bad cough and coughed all night and I tried to give him some nyquil cough syrup; the look on his face when he tasted it was priceless. We are so very sorry to hear about Michael.. He will always be my little big boy in my heart forever..##imported-begin##Bill & Teri Palmer##imported-end##
