“ We used to be neighbors of Mike. We met him a few days after we moved in and always talked to him. He was that type of person to always be smiling and joking. We had many memories together and they will never be forgotten. When we first heard of Michael's death we were all deeply saddened. May you rest in peace Mike and you will always be in our hearts.##imported-begin##Tim , Rhonda, and Justin Crussen##imported-end##

“ Dearest Dave and Family,

Our prayers are with you and your family. I met Michael once and I thought, cute and kind, like his Dad. We pray that God will ease your pain, gently, with patience and love. Today is the anniversary of my Dad's death and we go to his resting place and sing this song to him, because we have Faith we will see him again:

Oh Danny Boy, the pipes the pipes are callin, From glen to glen, and down the mountainside, The summer's gone and all the rose is fallin', Tis you, Tis you must go, and I must bide. But come ye back when summer's in the meadow. Or when the valley's hushed and white with snow. Yes I'll be there in sunshine or in shadow, Oh Danny Boy, oh Danny Boy, I love you so.

And when ye come and all the flowers are dying, If I am gone, as gone I well may be. You'll come and find the place where I am lying, and kneel and say an AVE there for me. And I shall hear tho' soft you tread above me, And all my grave will warmer sweeter be. If you will bend and tell me that you LOVE me, Then I shall sleep in PEACE until you come to me.##imported-begin##Marian and Ally Ingles##imported-end##

“ To Mike's Family: My deepest sympathy. I went to Richmond Schools with Mike. He was a grade above me. We were just acquaintances, but when you are from a small town it's different. It's like that country song goes "everybody dies famous in a small town". I'm sorry to hear of your loss and hope you find peace in knowing he is safe with our Lord now. “ Dear Family of Mike Petrowske: We are terribly saddened to hear of Mike's death. As a good friend of Dave's I knew Mike as his “pesky” kid brother. “ Pam and Family: We are so sorry for your loss, our hearts and prayers go out to you. We have had the pleasure of sharing conversations with Mike, while he visited his Mom. He was always over his Mom's house helping her out, whether it's cutting the lawn or shoveling the snow, or just hanging out with the kids.

We will keep you and your family in our thoughts and prayers.

“ I was a neighbor of Mike's of two years. He was the neighborhood guy who always offered his hands to help anyone. He will be remembered and missed dearly; many times he waved hello as I drove by at times in my life when things were not so right he made it seem brighter with the kind gesture he offered. He made me see people can affect someone's life positively in showing kindness.##imported-begin##Amy Rossilli##imported-end##
