“ *Dear Denice; Dear Darlene;*

We want to extend our deepest sympathy to you both and your family at this sad time. We know it is a painful process to lose Mike, who was a gentle soul. There is no way to prepare for a sudden passing. May you find comfort in your memories and in sharing your stories of Mike with each other.

While we cannot be there for his funeral service, we send our thoughts and prayers in spirit. May your burdens be lifted tomorrow by those who cry with you.

“ Dear Denice and Darlene, I am so very sorry about the loss of such a wonderful husband, brother, cousin, uncle and friend. I only have wonderful memories of Mickey (the only name I ever called him) from the time we all lived in Michigan. Whether it was playing his accordian or giving his cousins a ride on his motorcycle or just all of us being together, I treasure them all. Truly, all memories of him are very happy ones. With love, hugs and prayers for you all,
