“ I met Michele in nursing school at St. Joseph Hospital School of Nursing of Detroit many years ago. We found each other again employed at Holy Cross Hospital. She was the kindest, most approachable, loving person....always available with a smile and a listening ear. She loved her life, her family and her friends. It was my pleasure to have visited with her on several occasions at our Holy Cross reunion dinners. She will be missed. My condolences to her loving husband and her family.

“ I worked with Michele on many projects for our professional organization, Greater Detroit Area Practitioners in Infection Control (later APIC-GD). It was her vision that helped create an outline of our practice that was adopted by the national organization, APIC. Michele's outlook was always upbeat & her commitment strong. I enjoyed those times very much.

My heartfelt condolences, Steve, at this sad news. I'm sorry I didn't learn of Michele's passing in time to come to the visitation last night...

I have many memories of Michele but the most vivid of all is the love and devotion the two of you had for each other. You two were truly the epitome of love, through all the peaks and valleys of life.

I hope to contact you soon so the "Infection Control Girls" can get together with you to remember Michele...but please know I will be with you in prayer this morning during Michele's Mass of the Resurrection.

With Love, Rita

“ I met Michele and Steve in grade school over 50 years ago. My condolences to Steve, family and friends. Michele's earthly concerns have been replaced by heavenly splendor. 50 years seems like a long time but it is nothing compared to eternity. Life with all its turns and pot holes is simply a preamble to to the eternal.

We will all meet again.

“ I have a beautiful sister who came from heaven and now resides in heaven after a week of struggle and illness. So you may ask, who is Michele Kutzel, Bielski?

I met my sister in 1954....she is responsible for telling my mother that a child born on Christmas Eve should be named Christine Carol....AND HERE i AM!

She has taught me about unconditional love and the ability to overcome obstacles that God has given you at birth. Thank you my dearest sister for teaching me what really matters in life!!!!!!

And here it is: Be kind and generous and that family is the only thing that matters in life!!!!!!!!!!!!!!!!!!!!!!

My beautiful sister is the most kind, loving, generous and thoughtful person that I know.

You are now free my dear sistergo and embrace Grandma and Grandpa!!!!!!!!!! Aunt Jean and Irene ,,,,they love you soooo much and then there is Daddy, Uncles Joe, Leo, and Freddy.

I will remember you and talk to you each day and please continue to smile down on all those who love you!

“ I met Michele about ten years ago. I was a new member to this big Polish family and Michele welcomed me with open arms. It was as if she had always been my aunt and I was no different. We bonded right away over our nursing stories and family. She will be missed and will always hold a place in my heart. I find comfort in knowing that I will see her again in heaven.

“ Michele is one of my hero in life. In my childhood she was always the very kind hearted young lady who her family adored! Later in my life I admired her commitment to nursing despite her own health challenges. At Katie and Jefe post wedding celebration Michele and I had the opportunity to swap our Nurse war stories. (LOL) Again I was so impressed by this 4' 11 person giving herself both emotional and physical to the demanding profession of nursing that only a fellow RN could truly appreciate.

I feel I know Michele even better from Michele's sister Chrissy who happen to be one of my dear best friend Chrissy. I know Michele the wife, the daughter, the sister, and the aunt will forever be missed here on earth. My deepest condolences to all.

But now I feel this earthly angel is now with the heavenly angels

“ 1 John 4:7

Beloved, let us love one another, for love is from God, and whoever loves has been born of God and knows.

I only had the pleasure of meeting Michele once. It was this past Christmas and she offered the biggest warmest hug. I wish I could have had more time with Michele, but I know that I will see her again in heaven. Then we can share all the nursing stories and enjoy the love of Christ together.

My prayers are with the family for comfort and peace.

*In Christ's Love,
(Nurse) Nate*

“ *I've known Michele the majority of my life and can honestly say I have never seen someone with a more positive attitude. She was always thinking of others and was so sweet, loving and happy no matter what all she may have had going on with her own health. Michele was a wonderful person and will be sadly missed. My thoughts and prayers go out to Steve and all of her family and friends.*
