“ Michelle, my good friend , 🌹🌿 we had the same political thoughts and really about life too. I miss you so much !
Our birthdays are approaching next month and you have been on my mind a lot lately. We never made it to that antique store you wanted to visit with me, but then you were so involved and full of life my dear friend!
Spring is approaching once again and surely you are aware that our President Trump has been re-elected ! We experienced 4 long years of hardship with this last Adm. I wish you were here to see for yourself .
I will find the picture of you and me holding up a Trump sign from the 2016 election and I'll post it here. Miss our delegate times traveling for conventions !
I do miss our chats and laughs about life . We were close friends and what a Loss for me !
We will be seeing each other again some day and we will continue our laughs in God's Glory !
Love , Joanne Hopkins-Lucia 💕💕

“ I became acquainted with Michele (the name I knew her by) at least a dozen years ago when I was a precinct delegate. Since I moved to Shelby in late 2020, we spent time together discussing issues that concerned us and worked last spring on a project together.

I've always admired and respected Michele for her leadership and perseverance in promoting traditional, family values and those candidates for public office who espoused them. Even with her serious health problems she continued striving for the causes she believed in. I love and miss you, Michele.

“ Michele was such a great patriot. Whenever I asked her to help in supporting our fellow republicans, she did so with a strong heart. We shall miss her spirit.

“ *The Canadian side of her family is sad to hear the news of Michelin's passing. She was a great role model in the way she loved her country, her deep faith and the love for her family. They say grief is the price we pay for loving someone. I'm sure she feels your grief also but is in heaven with the others who waited for her with open arms. She's at peace with our Lord. For her family, we send our love and prayers. Tante Marthe, François and Amy.*

“ At this very moment I am on a extreme high from seeing our amazing president only to learn that one of our patriots has passed. Michelle J. Trosper was everything that I've always wanted to be. She was my hero. She was devotion and dedication to the Republican party and conservatism. She embraced candidates that supported pro life. She was a shutterbug I think because she has about 1 million pictures somewhere in that house of hers. She was dedicated to everything about being a republican and a woman and a God-fearing Christian. To say that I will miss her is an understatement of the world. But I know that she's no longer suffering in pain and I know Phylis has welcomed her home. I'll never forget you Michelle thank you very much for being on this journey we call life. Because I think a lot of who I am is because of you! Thank you for being my friend!
