“ So sad to stumble upon this sad news. We worked together at the doctors office in our single days. She was a kind and a bit of a spitfire. Beautiful model type gal. Will miss our infrequent hellos. She sure loved the children💕💕

“ Michelle was a member of the FB group Torties United, to which I also belong. She often posted pictures and stories of her beloved Pecan Sandie and Cashew Marie to share with us all. Although I never met her personally, Michelle will be missed, and I'm sure I can speak for the group when I say we are very saddened by her passing. May her memory be a blessing.

My dear Michelle. You fought long and hard. I'm so sorry. I will miss you and will always remember the times we had laughing and having fun. May our Lord wrap his arms around you as he walks you into Heaven

My closest cousin (like a sister)...I remember so many fun vacations, at Port Sanilac, Algonac, and Wisconsin Dells. You were always so much fun to be around. Never shy about doing or saying whatever came to mind in the moment. We had great times at the Rainy Daze concerts at Notre Dame when we were at Regina. You approached your health challenges as you did everything else in your life. You were always a fighter, always trying to change and mold things to meet your expectations. You were a brave soul and I am sure you are having a joyful reunion with your mom, dad and grandma who are undoubtedly fiercely proud of you and how you always lived life to the fullest. I will always cherish my many memories and always miss you. Love you forever.💕💕
