“ To Mike Antonucci's Family;

Mike was not only a customer during his time at GM, but a Mentor to me teaching me the UMIK way and the Rotary Cam Technology while he was with a Consultant with UMIK. Mike was a great friend as well taking care of my gun's and ammo for me as well as showing me the correct and efficient way to clean a rifle/shotgun the PROPER way. I am so happy that I got to see him awhile back in person so my memory will always be of his smiling face even when the chips were down. I will miss him very much.

“ To Ms. Sharon Antonucci,

I am deeply sad of the death of your husband Mr. Mike Antonucci. Please accept my sincere condolence. He was truly our company UMIX's mentor because he had devoted himself to achieve the Rotarycam literature on GM's die standard book in 1994. This is the so-called Bible of the Press Stamping Industry. I remember his long stay in Japan to accomplish his job with big efforts. Also I recall his and your spending in Japan with tender memory. I do pray for his soul. Whole of UMIX will join me.

Sincerely yours

Masahiro Uemura / Chairman of UMIX in Japan

“ *Sharon has been my dear friend since we were kids on the East Side of Detroit. We've been through a lot together, but I never saw her happier than when she married Mike. He was a true gentleman and the love of Sharon's life. He is now in Heaven, whole, healthy, pain-free and watching over her forever.*
