“ Dear Mrs. Pong, Russell, Tammy.

We are truly heartbroken after learning about the death of husband/father.

I hope you realize how much we love you and treasure all the years of friendship and dedication we have shared.

It was very heartwarming hearing of the achievements Russell & Tammy have made over the years. We are so proud and honored to be a part of your life.

After our visit w/ you today at the funeral home I neglected to get "contact" info that may be needed as we offered to assist if you need any help. Also: we don't want to lose contact wth you folks. Sorry but I'm "Tech Challenged" and only do Email or phone calls. If you call me: Please always leave a message so we can return the call.

Mary & Dad Sidorowicz (Ms. Mary from Willow Woods Elementary)

We signed the book and added our phone # in the book.

I don't wish to publish this here.

However: This is my Email Address: ma7sid@comcast.net

Hope to hear from you.

PS - Yes - Dad was a wonderful/husband/father/chef. We have tried many in the area and nothing was equal to or surpassed the quality your parents provided. This is why we stayed loyal for all the years since they opened.

Mom always gives credit where credit is due. However: Mom never takes credit for her love, dedications and contributions and hard/loyal work. We all know the family or the business would not have survived without her love and devotion. It takes "TEAM WORK".

PSS - Margaret Gagne and family is our daughter.

“ We are so sorry to hear of the passing of Mr. Pong. We enjoyed you food every Friday for many years. Mrs. Pong would recognize my voice on the phone and would know exactly what I was going to order. Sometimes we would switch it up. Our thoughts and prayers are with you Mrs. Pong and your family. Margaret Gagne and family.

Margaret, if you read my post below i totally agree, she has a uncanny knack of recognizing your voice and knowing if you want something changed up or on the side..but even when a "new person" came in they got the same big smile and treatment as the rest of us that are faithful regular's..she trully cares that you will enjoy what you ordered..which seems to be getting rare with the other restaurants nowadays...Mr.Pong,you will be trully missed..
