

Mira J. Dobrzynski

December 15, 1937 - January 2, 2025

Mira Dobrzynski, 87, longtime resident of Warren, passed away January 2, 2025. Mira was born December 15, 1937, to Stefan and Halina Fertner in Plock, Poland. She and her family escaped from Poland near the end of World War II, made their way to England, and eventually found passage to Hamtramck, Michigan, to begin their American journey. After graduating from St. Florian High School, Mira met and married her husband Carl in Hamtramck, and they moved to Warren where they started their family. Mira worked a number of years in the hardware department at Sears and spent most of her life as a homemaker. Besides being an outstanding Polish cook, she enjoyed playing cards, bowling, golfing and she especially loved travelling the world and dancing the night away to polkas and tangos. Above all, Mira was a loving mother and “Babcia” to her children and grandchildren, all of whom filled her heart with tremendous joy.

Mira is survived by her children, Mark (Annette) Dobrzynski of Honor, MI, and Karen Dobrzynski of Grand Rapids, MI, and son-in-law Tony Crozier of Doylestown, PA. Mira was also a proud “Babcia” to five grandchildren who loved her deeply – Stephen and Alyssa Dobrzynski and Zachary, Ethan and Logan Crozier. Mira was preceded in death a year ago by her husband Carl after celebrating 67 years of marriage, her son Raymond, her daughter Linda, her brother Renek, sister Hania and her parents.

“ I realize this is very past due but my prayers are with the family. Carl and Mira were great friends with my parents, Cass and Hedy Dyderski. There are many memories of dinners and get togethers. Im sure they are making heaven a good ol' Polish get together.

“ I am writing to express my condolences to the Dobrzynski family

I grew up next door to the Dobrzynski family. As a child I spent many hours in the Dobrzynski family home. I recall both Mira and Carl treating me with a great deal of kindness.

for example, when Karen and I almost caused a small kitchen fire in a failed attempt to melt chocolate in a double boiler Mira was initially quite angry. However, she was able to overcome her anger and join in our laughter as we cleaned up the mess.

I remember Karen and I deciding to publish our own "newspaper." although our "newspaper" consisted entirely of cartoons we cut out of the Free Press and pasted to a piece of paper Mira bought our first and only edition for a dime.

as an adult both Carl and Mira continued to treat me with the same level of kindness. When I had to call 911 for my mother Carl and Mira went out of their way to offer assistance if needed.

*both Carl and Mira were an asset to their community.
my deepest sympathy on your loss.*

Those are some great memories, Melori. I was at the services in the church and at the cemetery today. Their family and your family were good neighbors and friends.
