“ *As an employee of the Ford Sterling Plant I knew Mitchell through my experience as a welding engineer. Our interactions were not daily, but when his expertise was needed he was always there to share his knowledge. His mild manner and calming personality would always diffuse a stressful situation. Mitch was a very gentle man and always a gentleman. May Mitch's soul and the souls of all the faithful departed rest in peace. Amen. “ *Mitch what a wonderful man with the calm spirit that we all should have experienced*

God blessed him with many years of retirement and life ... what a journey he must have had with his precious Annie.

Bless her at this time##imported-begin##Monzie Edmonds##imported-end##
