“ Lawrence, Virginia, George and Marcy and your families, So many wonderful things to remember about your Mom; her unwavering faith and devotion to Our Lord and the Blessed Mother, the love she had for Grandma Gilin, Uncle George, her many generations of children and the abundant love she still found for all the rest of us in her family. I smile at recollection of the times she would take us to the basement to wait out tornadoes--there was a woman who appreciated the power of God and new it was time to get out of his way and pray for the best! Whenever I talked to her it was like talking to my own Mom and she would keep me up to date about the marriages, new babies, and current happenings of her children, grandchildren and little ones. Of course, there was always the "I love you Ann" at the end of the conversation. I love you Aunt Muriel--and will miss you.##imported-begin##AnnMarie Gilin-Dodson##imported-end##

“ Dear Lawrence, Virginia, George and Marcia and families:
My heartfelt sympathy goes out to you. I am the youngest daughter of Wally and Jane Gilin, and had a chance to see Aunt Muriel from time to time over the years, most recently at St. Therese when I attended Mass with my dad about a year ago. I also spoke to her by phone just before her surgery. Your mom was a beautiful woman, and always so warm. For most of my life, people have mixed up my sister, Sue, and me but your mom never did. She knew who I was, and who my children and husband are and I always enjoyed talking with her. I am sorry that she spent her last year battling cancer; it must have been very hard on her and all of you. I hope that you have many happy memories to bring you comfort. After she reunites with your dad, I hope she will have a cup of coffee with my mom -- she would enjoy that. I will keep you in my thoughts.
