“ *On behalf of the Rosati Family, Antoinette (Toni), David, Richard, and Thomas, our deepest condolences to the girls of Premo and Nancy. We all remember with fondness our close association between the families. The OLG days live and breathe still with each passing day as we treasure the strengths of all matriarchs and patriarchs of those associations. I personally remember her contagious laugh and also her strong Polish statements coming in conflict with my dad's Italian statements. My mother is deeply saddened over the loss of Nancy. My condolences to the girls.*

“ My condolences go out to the Damiani family. Mrs. Damiani was like a second mother to me. She was such a sweet lady. I will never forget all the fun times I had growing up with all the Damiani girls. Playing in the backyard and coming in and having hot chocolate in front of the fireplace, all the fun sleepovers. I will never forget when Mr. and Mrs. Damiani took me downtown when the Tigers won the 68 World Series. We had such fun times growing up. I will never forget you may you rest in peace. You will be dearly missed. Love you and miss you. Cathy Aquilina Fischer
