Dear Family I worked with your mom at a big company that had a 6 week training program. We finished at the same time and sat next together in the VA and Condo department for over a year! We always made each other all day . It was the best part about the whole job! I believe Nancy left before Covid....then it hit we all to work at home. The workplace was never the same without her! I happy to see her a couple years ago at big boy. Wishing I had more time. Nancy was the most sweetest, kindest person I knew. Rest in peace 🙏

“ I remember when Nancy was the bank manager at 25 Mile and Mound. She was always kind and helpful. For a number of years, she and her staff participated in the Shelby Township Clean Up Day. And her penmanship was beautiful. With sympathy to her family,
