Blooming Garden Basket - August 17, 2020 at 12:00 AM

“ Nancy & I became friends in sixth grade when I moved to New Baltimore from Detroit and attended St. Mary's school. We were friends all through school and reconnected last year when my family had an 80th birthday celebration for me in New Baltimore and several former classmates attended including Nancy and Bob. We had hoped to have a "girl get together" this summer with lunch and just spending time together. With Covid that was just not possible and now it never will be. Nancy was the sweetest girl and was always so positive! Rest in peace sweet Nancy! Judy McNally Travis, New York
