Nancy I am really grateful you were chosen to be my sister-in-law. We had so many good times especially holidays. I will always cherish your friendship, love and your kind heart. I am going to miss you a lot. I don't know if I will ever comprehend God's will in taking both you and Tony. You are both beautiful and will always remain so in my eyes. Love you my wonderful sister-in-law. I am sure you are with Tony and doing well in heaven.

“ *As a joke I once added a sixth toe to Nancy's baby foot prints. She laughed and she punched me. But I'll never forget her and will live her forever. Rest now Nancy. Will see you again.*
