“ *We lived a few houses away from Nancy and Brian years ago in when Shaun was born at about the same time as our son, Adam. Within the past week, we were reminiscing about a time that included Nancy and Brian. We are so sorry for Brian, kids, grandkids and all who loved her. I know she will be dearly missed. “ *My Dear Nancy, I'm sorry we lost 20 years of memories together, but am so thankful we were able to get together for the few years we did before Brian got sick! I'm so glad you and I I got to spend so much time together before you got sick! Our trip together to Floridas was so much fun!! Wish we had time to do more together! Darn Covid got o on the way of being able to visit you before you got so bad you stopped speaking! I'm going to miss you, my favorite sister in law!! I love you!!*
