“ *My deepest condolences go out to Nancy's family. I had the pleasure of knowing her through the paperdoll group. She was always so much fun and full of life and had such a passion for her hobby and a very fun sense of style. I was impressed how she would drive and fly to various events and just enjoyed herself along the way. We will miss her and our lives are much better for knowing her. May God Bless her and may she rest in peace!* ”

“ Grandma had no clue where she was going... Ever... She only knew where we were based on "land marks" thankfully we never had to go far. She use to say " I know where we are at, the custard spot (where we always got ice cream) is right around the corner". One of the best memories I had with her.

Kaitlyn - June 16, 2016 at 10:45 PM

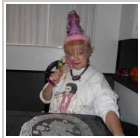

Thats Funny Kaitlyn, I do the same thing.. Give Me some land marks .I can hear Nancy saying that..

*Nancy, always flamboyant but yet soft spoken. I will always remember how you took the lead in prayer at Grandma's grave site on the one year anniversary of her death. It was so awesome and touching, You will be so missed but forever in our hearts and mind. Macomb and Oakland County has lost a truly great tennis player. Please keep your heavenly site on your sister Diane for she will need you by her side Rest in peace and be safe in the arms of God and His angels.

*We were so saddened to hear of Aunt Nancy's passing. She was a special person with a passion for life, who loved her family and lived each day to the fullest. She was so warm and affable that you couldn't help but be in a good mood in her presence. She was quick with a smile and always made us feel like she was truly happy to see us, complementing the kids on their accomplishments and encouraging them in their activities. It is her smile, dynamic style and caring heart that we will remember when we think of her. She has made heaven a better and more colorful place.*

*Aunt Nancy, you will be missed but not forgotten.
