“ Lori & Lisa,  
If we called her "Nan" or "Mrs. P", she was like our second mom. If it wasn't "Nan" it was "Bob" telling us to be good but have fun as we ran out the door on a friday night during high school.  
Your mom has been a good and faithful servant. She is now at peace and painfree. She and your Dad are together beaming with pride at their daughters and their beautiful families.  
God Bless you both.###imported-begin###Mike & Kelly Barkume & family###imported-end##

“ Lori and Lisa,

*Your mom was a great lady. My family sat in front of her for years at St. Edmund's. She never ceased to make us laugh with her funny comments. I always admired her when your father was here and how she took care of him and I never heard her complain. Of course, she loved you both so dearly and never let a meeting go by where she didn't mention you two and what you were doing and how proud she was. Her grandchildren were such a joy to her. She was dealt many hard times in her life and she accepted them with grace. Not many people can say that!!*

*She is getting a much deserved rest now and is pain free. Her and your dad can finally have some "Good times" together. Grieve for awhile but know that she is with you everyday. Peace,

“ Dear Lori & Lisa,

*I am sorry to hear your mother passed away. My prayers are with you and your families. I always enjoyed having to call Park Metal for electrical equipment and pricing because I knew that your mother would answer the phone. “ Lori, Lisa and family - I am so sorry for your loss. Your Mother was not only the best "godmother" I could have, but a great friend too. I have to tell you after being with you last night, I went to sleep and dreamt of you both and your Mother all night. You were all the first thing I thought of when I woke up this morning. I will miss her greatly. It is comforting to know that she is together again with your Dad. I am sure they are both very happy and at peace. You will always be family to me.##imported-begin##Diane Ahern##imported-end##
