“ Brad:

Although I haven't been much in touch with your mother in years, I was so sorry to hear of her passing. We ran into each other a few months ago in the lab at Mt. Clemens General, and she told me how sick she had been.

At one time we were good friends, and had a lot of fun together.

You may remember me as Mary Procissi. We were neighbors in Fox Chase, and you played with my son, Tony.

My sympathy to you and your family Brad.

Regards,

“ I am very sorry for your loss.

Nancy was like a mother to me as well as a best friend! I have worked for her for many years. We have shared many memories and have had some very special times together.

She is a sweet, and giving person! I really am going to miss her dearly.

God Bless

“ *Brad and Family*

Please accept my sincere sympathy at this time of sorrow.

I worked with your Mother for many years at New Haven Community Schools.

She always had the best interest of her students in mind with everything she did.

She was very proud of you.

I will be donating to the humane society in her memory.##imported-begin##Gloria Gostovich##imported-end##
