“ *Neil was my best friend growing up. He encouraged me to try out for middle school sports. He stood by me walking into my first practices. He supported me as I found my passion of distance running. He drove all of us around.....to Farrells....to Cibos...to Stoney Creek...and the parties he hosted with Eric!!! Awesome!!!! Riding our bikes to Monticellos to watch The Twilight Zone.....hanging out at my pool with Dawn (Rice) Eathorne and Linda Sciotti Craft.....His family is in my prayers.*

“ My relationship with Neil started out as renting office space from him and over the years developed into a good friendship. I admired Neil and looked up to him. He loved talking about his kids and was very proud of them and his nephew Casey. Neil was one of the most good-hearted guys I knew. He was a role model for my son that just graduated high school and we feel blessed to have known him, he is missed dearly.

“ Neil was my best friend. He would always be there for me with love, kindness, laughter, doctor appointments or most anything of need. He rarely said no and very often I saw that same kindness shared with many others. Neil gave his coin machine prizes to people regularly for them to share with their kids or others. He was a great friend and person whom I Loved deeply and I will miss him very much!

“ We would have our Fun Family Reunions up at Funland. Neil would open the park for us after hours and we would have a blast! For a while they had the cottage but then we ALL stayed at the park. 3 families in a 2 bedroom apartment. Our alarm clock was 60's park music and If you didn't take a shower by 10am the slides went on and there was no water pressure. It truly was a Fun Family Reunion!!!
