“ We have lost a great one! It is hard to find words to describe this loss. Neil was one of the nicest people I have ever known as well as the most loyal and honest friend you could have . He has been an inspiration to me and many others in how he has dealt so courageously with the obstacles he has been confronted with in his life. I have always considered him my Brother. Many, many fond memories of our journey through this life together at work, flipping and renting houses, Hockey games , college classes and so many more. I am just so sad that we will not be able to make more memories together but grateful for the times we did share. See you on the other side Brother!!!!!! All our Love and prayers to Denise, Ryan , Chris for your loss. Dave & Bobbie Van Gorder
