“ Marina: I am so sorry about Nickolas. You know that he is not suffering anymore. There is a beautiful song called "Borrowed Angels". It talks about special people that God puts on earth for a short while for a purpose. We don't always know what the purpose is, but they can't always stay with us he calls them back. They are called Borrowed Angels. My thoughts and prayers are with you every day. Love Debby Stanley###imported-begin###Debra Stanley###imported-end###

“ *Dear Joanna and family,  
I wish I could say or do something to ease your broken hearts. Nickolas was a beautiful little angel here on earth as he is now in Heaven. We often ask....why does God take children? I once heard a quote that said "some people are just too beautiful to keep from Heaven". What a beautiful brave little warrior he was-and your family is amazing Joanna.....though it was a short time he was with you-he touched soooo many people's lives and he will be missed by all who had the honor of meeting him. He will always be with you and now he is watching over you as you all did so lovingly for him while he was here on earth. Love and hugs, Claudia*###imported-begin###Claudia Palchak###imported-end##

“ Marina, Danny and Family,

*We cannot even begin to express our sadness for the loss of the most beautiful, loving and charming little boy that God created. Nicko was a fighter and God gave him the best parents anyone could ask for. He was adored and loved by all that knew him. He now shines a light on all of us and will be looking down from heaven with a smile. Nicko was blessed to have you as his parents, just as you were blessed to be loved by him. I feel lucky that I felt that love too and am grateful I was a part of his life. We love you guys and am praying for you.*
