“ The Cord

*We are connected,
My child and I, by
An invisible cord
Not seen by the eye.*

*It's not like the cord
That connects us 'til birth
This cord can't been seen
By any on Earth.*

*This cord does it's work
Right from the start.
It binds us together
Attached to my heart.*

*I know that it's there
Though no one can see
The invisible cord
From my child to me.*

*The strength of this cord
Is hard to describe.
It can't be destroyed
It can't be denied.*

*It's stronger than any cord
Man could create
It withstands the test
Can hold any weight.*

*And though you are gone,
Though you're not here with me,
The cord is still there
But no one can see.*

*It pulls at my heart
I am bruised...I am sore,
But this cord is my lifeline
As never before.*

*I am thankful that God
Connects us this way
A mother and child
Death can't take it away!###imported-begin##Tillie###imported-end##*

“ Nicole and I were great friends in elementary school and remained in contact through the end of high school. She was a very intelligent woman and one of the best friends I ever had in elementary school. I'm devastated to hear this news and my condolences go out to her mother, Arlene, as well as the rest of her family. Rest in peace Nicole. You will be dearly missed.##imported-begin##Mandy (Moceri) Makurat##imported-end##

“ We are deeply grieved and sad at your loss. I can only remember the good times and how she put a smile on all faces. It seems like summers ago watching David and Nikki at your parents cottage together. How fun as she came visited us at our cottage and watch her laugh while Merle pulled her skiing. God Bless you all. Nikki you are loved.

“ It seems impossible to speak of consolation in the face of such a bitter loss. As so many others who were touched in some way by Nikki, we are devastated and saddened by her passing. May the love of family and friends comfort you and strengthen you in the days ahead.

We all held Nikki in the greatest affection and treasure all the moments we had, like the summers she stayed at the cabin over the fourth. Nikki was such a breath of fresh air; you had to smile when she was near. We will cherish these fond memories forever.

Our hearts and prayers are with you.###imported-begin##Dave Ugorowski, Marsha Burtch, and family###imported-end##
