“ Norene was a best friend, Norene was on your side no matter what, I love Norene . I have so many memories of her, fun, good, clean fun! My most memorable memory is when us girls, me Norene and her daughter Daniele , (sorry Nellie if I spelt your name wrong) went to Cancun for her birthday month. when we first met, Norene and I, I was working at my parents business when this hot looking women strutted her classy butt into the Copper Kettle and I was like "who is that Lady!" I like her. And boy after I got to know her, I Loved her! And at my house warming party it rained so bad it was like Woodstock III and she cut the bottom of her tent to let the water out so our good friend who was out for the night, Jimmy Scott, wouldn't drown sleeping. She, Norene was always looking out for everyone I will miss her dearly! Till we meet again my friend
