“ *How do I describe a person who has meant so much to me and my family. I spent one summer with her family and still have such great memories of my time there. My family traveled to Hazel Park to visit Aunt Norma and her family, even once we spent Christmas there. I spent the second day/night of my marriage there before heading out for our honeymoon. Too many memories to put on here. I love you Aunt Norma and the only thing that is healing our broken hearts is the knowledge that you are reunited with Uncle Ted, Greg, Mark, your parents and your beloved brother and sister. God bless you and you will be missed. Julie*
