“ Darlene, Dave, Ryan, Noah & Adam , We are so sorry to hear about
the loss of you Father and Grandfather. I know how much he was
loved and how much he cared about you all just through the love
you showed for him by speaking of him so often. He can rest
comfortably in the lords arms now and watch over you all and smile
as he watches you take care of your families. I'm sure he will be
sadly missed, but know he will always be there in your hearts in
some way shape or form. God is good! We love you all :)Jeff, Dawn

*Dear Darlene and family,
So sorry for your loss. I remember your Dad being the single father, pretty tough but he did a great job with you girls. I remember his faith being a big part in his life. Smart man! God Bless you.*

“ Dear Annemarie, Darlene, Sandy and Elyce,

My deepest sympathy to all you girls and your beautiful families! I will miss my Uncle very much! You see, your Mom and Dad were my "favorite, coolest Aunt and Uncle! Uncle Norm and I really reconnected this past fall during his stay at the nursing home and hospital. He understood our family dynamics and was always on my side growing up. Yes, at times he was very stubborn but then aren't we all ? Your Dad cherished his "girls". Yeah, at times he would complain why are they fussing over me? I would answer, their your daughters that's why! They love YOU! And the grandchildren, well, he just could'nt talk more about them! Knowing that he is reunited with your Mom makes me feel at peace with all of this. With much love, your cousin Susie xoxo
