“ I had the pleasure of working with Norm for the better part of thirty  
years. During the last 5 years of our employment at Ford's we  
shared a breakfast table together almost every morning. Norm  
always was a welcome member of the breakfast club as we liked to  
call it. The news of his passing has found me here in Colorado  
where I now reside. I wish I were able to attend the funeral and  
express to you his family how deeply saddened I am to hear of his  
passing. ##imported-begin## Ken Moran ##imported-end##

“ Our lives too are saddened by the loss of Norm. It is not too often  
that we are blessed with relatives that we call "friends". He loved  
you all so dearly and always spoke of the joys of retirement--time  
with Diane, his children and of course, his six grandchildren--his  
eyes absolutely sparkled whenever he talked of them. We too will  
miss him. ##imported-begin## Chuck and Audrey

“ *Dear Diane:  
I went to St. Jude grade school with Norm, and I remember how kind and friendly he always was. When I was fortunate enough to run into him a couple of times through all these years, he still remained the same, wonderful person that I knew back in 1958. My sincerest sympathy to you and your family at this most sorrowful time.  
Sincerely,

“ *Norm's death brings a feeling of great loss to me. We worked together for close to thirty years and he was always a bright spot in everyone's day. His smile was genuine, beautiful and one that reflected friendship. He will be missed very much. Why do the good die young? I'm sure your world is torn apart. My heart reaches out to all of Norm's family. My condolences.  
Love,
