“ Marie, Wayne and family,

I was so saddened to read of Norman's passing. I was so blessed to have met you and Harold during my service caring for Wayne at Wynwood. I have thought of you all so very often. Reading about Harold brought to mind the stories Wayne would tell me about growing up in your very busy household - we shared some laughs with his tales!

You are all in my thoughts and prayers at this difficult time. May God keep you close and comfort you with His love and grace. I love you all!##imported-begin##Sally Hunter, RN##imported-end##
