“ I have so many memories to count. You touched and impacted many lives with your generosity, compassion, and genuine helpful, hard working nature. Anyone that encountered you will miss you and never forget you.  
May our families find comfort in our beliefs that you are in peace, in paradise, in the warm light, in the loving arms of our lord. Greeted by all those you love and missed so much. Baba, Ziggy, Jeff, Jason, Tommy, Meech, and even the cats. Enjoy your journey Nua and rest in peace. We will always love you and smile when we think of you.
