

Ofelia Aquio Piencinaves

January 25, 1938 - May 9, 2023

Ofelia Aquio Piencinaves, of Hamtramck, passed away Tuesday, May 9, 2023, at the age of 85. She was born on January 25, 1938, in Butuan City, Philippines, to the late Graciano and Juliana Piencinaves. Beloved sister of Flora (the late Domingo) Albarracin, Luz (the late Narciso Jr.) Jandug, Agnes (the late Abelardo) Mayol, the late Lolita (the late Romerico) Vencer, the late Angeles (the late Douglas) Brubacher, the late Milagros (the late Teofilo Jr.) Santos, and the late Rudyardo Piencinaves. Also survived by many loving nieces, nephews, family, and friends.

Ofelia was dedicated Registered Nurse for many years and was active in the Philippines Nurses Association of Michigan. She was also a devout Catholic and active participant in the BNP, which was a prayer group devoted to Our Lady of Fatima. In her free time, Ofelia loved to go dancing and cherished her family, as she would often write letters and created her own "Newsletter" that kept the family connected. Last but not least, she is remembered as being a very generous woman, with both her time and resources, as she aided family members with an opportunity to go to college, with many nieces and nephews following her footsteps in pursuing nursing professions. Ofelia was well loved and will be dearly missed.

“ *Condolence to the family of Pie. She was a co- teacher of mine at St. Annes Hospital School of Nursing in the Philippines in 1965. I can't recall now how we get connected after years of no news since I immigrated to Canada in 1967, but I am glad we did. The last message I got from her was mid April that she was feeling very weak, have a hard time breathing. I will miss her lovely smile, jokes that made me laugh, wonderful friendship we had and a lot more. Rest in peace my friend.*

“ I could never get my words right around you, Auntie Pie. I preferred to just listen to you talk about your day, about your plans or about your travels. Everyone else has already talked about your kindness and generosity. As for me, I wanted to say thank you for your patience with me. Thank you for taking us in and helping us get settled when we moved to America. We couldn't have gotten to where we are now without your help and guidance. Please get some rest now. We'll have stories to share again soon.
