“ To the Baldyga Family,

I used to work for a doctor that Olga used to see. I remember she would have myself and the doctor laughing with her wonderful sense of humor. I just happened to be looking through the notices and saw that she is no longer here. I just want the family, and Keith, to know she left a lasting impression on me....all these years later. Always in my prayers.

“ I enjoyed talking to Olga when she came in to Michigan Maintenance with Keith. She loved her family and even in her later years, you could tell she was quite a spunky lady. I am sure she will be missed by many. My prayers are with the family. Keep her alive in memory.
