“ My father was an amazing father, his love is what kept me here soon many years ago. I would have done anything for him and my mother. And he would have done anything for me. I lost a friend , a father, and a best friend and I will never have another one as committed to me. He was one in a million and I'm blessed to have him as a father. I never really knew the buisnes man. I knew the father. And he was the best father I have ever met. And he was mine.
