“ *I'd known Ms. Pam since I was in Kindergarten. Katie was in Girl Scouts with my twin sister and me. Ms. Pam always drove us in her van to all the Girl Scout field trips. She always struck me as such a loving and caring mom who was really involved with her daughter's life. I remember going to the Renard house and swimming in their pool and playing in the basement. I still think of you guys whenever I play a Hawaiian Luau CD I won as a prize at one of Katie's birthday parties when we were little. Ms. Pam would always make us grilled cheese or Mac and Cheese. She was always my favorite mom of all my friends. She was always so happy and always smiling. It was contagious My sister and I have lost most contact with Katie over the years, but would occasionally run into Ms. Pam at Wild Flower and get updates on the family. We are devastated to hear of her passing and are sending condolences to the entire family. Love, Andrea & Lauren Koerber##imported-begin##Andrea Koerber##imported-end##*

“ Our thoughts are with you, John, your family and Pam's family during these difficult days. Pam was a wonderful person who touched many lives in a positive way. Because of that she lives on in the hearts of those who knew her. She was the first to welcome us into the neighborhood when we moved in next door many years ago. Her bright smile and our endless conversations have never been forgotten. She will continue to smile down on us all.##imported-begin##Don and Sheryl Perrier##imported-end##

“ *The English language has not created the words to describe my friend and sister-in-law, Pam. Unselfish, caring, unconditionally loving, selfless, inspiring and all the other positive adjectives out there come close but still don't describe her. Pam is the only true angel I have ever met. A gift from God. Everyone who has met Pam knows that they have been touched by an angel. She will live on in our daily lives as we remember her and everything good that she brought to our world. Pam, in your short life you have brought so much love and good into this world. I am blessed by our friendship. There is no doubt that you will be missed. I love you.##imported-begin##Sandra##imported-end##*

Words alone cannot describe my feelings for Pam - beautiful, caring, loving - always happy and full of life. I will miss her more than you will ever know. Sue, when Rebecca and I got home last night there was a penny on my front porch and another on the bathroom floor - pennies from heaven, from Pam.##imported-begin##Cathy Renard##imported-end##

“ I first met Pam just before Mike and Sue got married and she was pregnant with Mark and I was pregnant with Jenny. That was over 22 years ago. “ The last time I hugged Pammie she said that it was like hugging her Grandmother (Fina Mann Gibson). That was the greatest compliment that she could have given me. Her grammie was my favorite aunt, whom I adored and cherished. She was the warmest sweetest woman in my life; and Pammie was just like her. Our only comfort on this sad day is that Pammie is now with her wonderful grandmother getting the real hug. Aunt Fina's mother (Edna Bell Mann) also died on Valentine day in 1966. So her great grandmother will welcome her home too. Ray and I send our love and comfort to Bess and Ernie and family.##imported-begin##Sandra Duncan Padgett##imported-end##
